Fixture Paints Limited Earnings Conference Call

Moderator: Welcome to the Q2 FY27 earnings call.

Rajesh Kumar: Demand was soft this quarter. We now expect 8 to 10 percent revenue growth for FY27.

The Dahej plant was commissioned in September, ahead of schedule.

Raw material prices were stable through the quarter and we took no price increase.

Our dealer network expanded to over 60,000 outlets across the country this year.

Moderator: The first question is from the line of Amit Verma from a domestic fund.
